## NOTIFICATION

NIMHANS is conducting a **Walk-in Interview** to fill the following post on a contract basis in the DBT/Wellcome Trust India Alliance -funded project titled “System Approach for Management of self-harm by integrating Surveillance with mental health Training in general Hospital in South India (SAMASTH)”, under the supervision of Dr. Anish V Cherian, Additional Professor & Principal Investigator, Department of Psychiatric Social Work, NIMHANS, Bengaluru – 560029.

**Project description:** The project aims to examine the implementation of an integrated programme of self-harm registers (SHR), staff mental health training and digitally-assisted mental assessment and strengthen health systems in general hospitals to improve the care for self-harm patients. The study involves multidisciplinary approach with expertise in diverse yet complementary disciplines (epidemiology, social science, psychiatry, psychology, emergency medicine, education, implementation research, health systems and policy research) and methods (quantitative, qualitative, and narrative) to address specific research questions in the context of regional and national imperatives.
